ITEM 4 - OTHER BUSINESS ACTIVITIES

Mr. Osiwala holds an insurance license to sell limited insurance products. It is anticipated that a small portion, less than 5% of his time, will be spent providing these insurance products. He may receive compensation from selling insurance products and therefore receive economic benefit for this activity. This activity may create a conflict of interest with clients. However, since this activity represents less than 5% of his time and income, it is presumed not to be substantial.

Mr. Osiwala is a registered representative of Mutual Securities, Inc. ("Mutual Securities"), a securities broker/dealer, and a member of the Financial Industry Regulatory Authority, Inc. ("FINRA") and an investment adviser registered with the Securities and Exchange Commission ("SEC").

As a broker-dealer, Mutual Securities engages in a broad range of activities normally associated with securities brokerage firms. Pursuant to the investment advice given by Mr. Osiwala investments in securities may be recommended for you. If Mutual Securities is selected as the broker-dealer, it may affect transactions in securities for you, a client of BFG and Mr. Osiwala. By serving as the broker-dealer, Mutual Securities and Mr. Osiwala may receive commissions for executing securities transactions. When Mr. Osiwala receives commissions in connection with the advice given to advisory clients, BFG and Osiwala may reduce a portion of its fees by the amount of the commissions earned by Mr. Osiwala.

You are advised that if Mutual Securities is selected as the broker-dealer, the transaction charges may be higher or lower than the charges you may pay if the transactions were executed at other broker-dealers. You should note, however, that you are under no obligation to purchase securities through Mr. Osiwala, BFG or Mutual Securities.

Mr. Osiwala may provide advice regarding investment company securities. You should be aware that, in addition to the advisory fees paid by you, each investment company also pays its own separate investment advisory fees and other expenses. In addition, you should be aware that mutual funds may be purchased separately independent of the investment management services of BFG and Osiwala.

Mr. Osiwala may, in his capacity as a registered representative of Mutual Securities, or as an agent appointed with various life, disability or other insurance companies, receive commissions, 12(b) -1 fees, trails, or other compensation from the respective product sponsors and/or as a result of effecting securities transactions for you. As previously noted, when commissions or fees are received by Mr. Osiwala in connection with the advice given to you, he may, but is not obligated to, reduce its fee proportionate to the amount of the commission or fee earned by him. However, you should note that you are under no obligation to purchase any investment products through Mr. Osiwala.

Mr. Osiwala is Managing Member of Osiwala & Associates Strategic Investment Services, Inc., a registered investment adviser. Mr. Osiwala may receive compensation in his role as Managing Member. This creates a conflict of interest. To manage the potential conflict, Mr. Osiwala always puts the interest of the client first.

Kenneth L. Osiwala owns Osiwala Properties, LLC. This entity owns commercial real estate. This activity should not create a conflict of interest with clients and represent less than 10% of his time and income and is presumed not to be substantial.

Once a week for one hour, Mr. Osiwala appears as a Co-Host on America's Wealth Management Radio Show on WJR Radio.

ITEM 5 - ADDITIONAL COMPENSATION

From time to time, Mr. Osiwala may receive expense reimbursement for travel and/or marketing expenses from distributors of investment and/or insurance products. Travel expense reimbursements are typically a result of attendance at due diligence and/or investment training events hosted by product sponsors. Although receipt of these travel and marketing expense reimbursements are not predicated upon specific sales quotas, the product sponsor reimbursements are typically made by those sponsors for whom sales have been made or it is anticipated sales will be made.
